

Is It Fair?  
(Action, Vol.6, #42)

1. We never forget to say, "Give me,"-  
When needy, how quickly we plead;  
But how oft we forget to say "Thank you,"-  
When the Lord has supplied ev'ry need. -  
Chorus: It seen that we only say "Thank you"-  
Each time Thanksgiving draws near; -  
Is it fair only to say, "Give me" so often, -  
And "Thank you" just one time a year? -

2. We never forget to say, "Help me,"-  
In trouble how quickly we pray;  
But how oft we forget to say, "Thank you,"-  
When He's chased all the troubles away. -

3. We never forget to say, "Spare me,"-  
From sorrow, from sickness and tears;  
But how oft we forget to say, "Thank you,"-  
To the One who has kept thru the years. -
