

Just Because He Cares
(David C. Cook Publishing Co., 1975)
(Verse 1)

1. Just because He made me He loves me.
Just because He made me He cares.
Just because He loves me I know that He will help me to
always obey His Holy Word.
Just because He made me He loves me.
Just because He made me He cares.
Just because He loves me I know that He will help me to
always obey His Word.

2. In His Word I find what I'm made for.
In His Word I see His great plan.
In His Word He tells me
He saves me and He calls me to
show God Himself to all of man.
In His Word I find what I'm made for.
In His Word I see His great plan.
Lord, because You made me, You chose me and You saved me,
I give to you all I am.
